WINTER TERM 2017

The Ceramics Studio hours for GRADUATE STUDENTS

The Ceramics Studio is open to graduate students with valid Dartmouth ID during the following times: Tuesdays 1-5 pm, Thursdays 5-7pm

To learn throwing on the potter’s wheel you must complete at least 2 “Intro to the Wheel” instruction sessions to work independently.

Trimming instruction is offered anytime during our open hours.

**Hand building does not require intro session**—we can help you start your project any time during our open hours.

The weekly instruction schedule is for the first 8 weeks of the term (except for glazing week during week 5). The last 2 weeks of the terms (weeks 9 & 10) will be glazing and firing only.
