MEMBERSHIP REPORT

HOP

Letter from the Director

Dear Friends,

As this publication goes to print, I mark the one-year anniversary of my arrival at the Hopkins Center for the Arts—and what a full, rich year it has been. Not only has the Hop continued to grow its marvelous roster of performances and on-screen offerings, we've brought to the fore the ways in which these presentations connect to one another and, collectively, affirm and inform us as community members and citizens of our nation and planet. And you have responded: 2017-18 thus far has broken all previous records for Hop membership, and your engagement and support is palpable in everything we do.

You may have noticed that the Hop has acquired a more social vibe of late, with the Top of the Hop Bar open on weekends and, for members, more pre- and post-performance get-togethers. These developments recognize that the Hop isn't just a place to experience art, it's a place experience art *together*. We look forward to sharing even more moments in the dynamic days ahead.

See you at the Hop!

A handwritten signature in black ink, reading "Mary Lou Aleskie". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

—*Laura Larrick, Member*

We feel grateful to have a world-class facility like the Hopkins Center in our backyard, and like to support its mission to provide the community with such wonderful arts presentations. We are particularly grateful for the Hop's family performances so that local children are exposed to the arts at such an early age.

—*Melissa Roth and Dan Richards, Advocates*

We are Partners primarily because we want to support the Hop and all the great shows we go to. We also really enjoyed the Dartmouth Idol and Barbary Coast events for Partner-level members.

—*Scilla and Jack Benson, Partners*

We are so appreciative to all the staff at the Hopkins Center for their work bringing high-quality performances to the Upper Valley. We invest in this partnership to help sustain this resource.

—*Renée Vebell and Jeff Cohen, Investors*

Among the advantages of living in the Upper Valley are the world-class programs at the Hop. Being a Bentley Fellow member helps to guarantee we will have a future with great artists.

—*Amy and Henry Nachman, Bentley Fellows*

It's a privilege to support the efforts of the Hopkins Center to not only provide first-class performers and performances, but to make them available and affordable to the community at large. To offer entertainment of this quality to college students may, for many, be inspirational as well as educational. The opportunity to engage in conversation with the artists post-performance is rare and exceptional. Thank you for providing this for us all! —*Selma Bornstein, Backstage Circle*

The Hop brings spectacular world-class performance arts to our community—it's a true gem and absolutely deserves the support of all of us! —*Rick and Linda Roesch, Top of the Hop*

2017/2018 New Member Benefits!

Members are the Hop's insiders, and we're providing new ways for you to connect with us and each other.

After-parties

All members are invited to our after-parties. Enjoy a drink on us and chat about the show with old and new friends.

So far this year, members have enjoyed beer and salsa on the patio at Salt Hill, and wine with a view in the Top of the Hop. Stay tuned for more after-parties in the 2017/2018 season.

Member after-parties for Jazz at Lincoln Center Orchestra with Wynton Marsalis and Malpaso Dance.

Member Lounge for Investor+ members

Members at our Investor level and above are welcome in our private Jaffe-Friede Gallery lounge before select performances. Bring your guests and enjoy light hors d'oeuvres, art and a toast before the show begins!

Hop members make it happen

With your loyal and generous support, the Hopkins Center ignites a passion for the arts on campus and throughout the Upper Valley. You are a key player in supporting the original, exhilarating and groundbreaking work that the Hop brings to your community each season. Additionally, your membership endorses the connection visiting artists create with Dartmouth students during their on-campus residencies. Here's to you, Hop members—thank you!
