Director's Note

Five weeks ago, the cast and I began rehearsals for *Lost Girl* by reading the following quotes aloud. I want to share them with you now:

Scott Peck, MD, Author, *The Road Less Traveled*

“Life is difficult...Life is a series of problems...What makes it difficult is that the process of confronting and solving problems is a painful one...Yet it is in this whole process of meeting and solving process that life has its meaning.”

Eleanor Roosevelt, American political figure, diplomat, activist and the First Lady of the United States from 1933 to 1945

“I gain strength, courage and confidence by every experience in which I must stop and look fear in the face—I say to myself, ‘I’ve lived through this and can take the next thing that comes along.’ We must do the things we think we cannot do.”

J.M. Barrie, Novelist, playwright and author of *Peter Pan*

“Courage is the thing. All goes if courage goes.”

Rectoral address to the students at St Andrews University

May 3, 1922

Sian Beilock, President of Dartmouth College

“For too long we chose to believe that ‘safe spaces’ were working when what they were really doing was silencing. Colleges are where ideas are tested, and so it is our responsibility to cultivate ‘brave spaces’ instead.”

J.M. Barrie

“What better encouragement to the young than to be able to tell them that happiness just keeps breaking through.”

From *Mary Rose*

Kimberly Belflower, Author, *Lost Girl*

“I think I am done with pretending. I think it’s okay to be scared.”

Wendy in *Lost Girl*

Thank you for coming and I hope you enjoy the show!

Peter Hackett
