About The Artist

Kali Stoddard-Imari is a Boston-based singer songwriter, multi-instrumentalist and looping artist. He has been placed in front of acts like Adam Ezra Group, Taj Mahal, Martin Sexton, Shawn Colvin and Marc Cohn.

Born and raised in the North East Kingdom of Vermont, he grew up playing around with poetry, hip hop and chorus, never fully mixing the ideas until he picked up the guitar at 17.

He now creates a folk pop, rhythm & rock vibe with hints of roots rock, blues, reggae fusion and soul. He has traveled cross country and thousands of miles to perform.

With music as an outlet and family and community as inspiration, he works to unite people and create positive experiences for everyone he can.
